

CAMP INFORMATION

The **PHD - Pro Baseball Camp** provides a great way for **High School** players to improve their skills in a professional environment. Players will train at the Papago Sports Complex (Phoenix, Arizona) spring training home of the Oakland Athletics. Our staff consists of current **Professional Baseball Scouts** who have the ability to sign players to professional contracts, as well as make recommendations to college coaches. If you are looking for a high level baseball camp, get to the next level and earn your “**PHD**”, you have come to the right place.

**Position specific Instruction during morning session*

**Games played in the afternoon*
